

Notice of Public Hearing
December 28, 2009

The McDowell County Board of Commissioners will hold a public hearing on Monday December 28, 2009 at 4:00 p.m. in the Commissioner's meeting room concerning proposed economic development incentives for a local industry expansion as authorized under NCGS 158-7.1.

The industry expansion involves the investment of \$4,100,000 in equipment and machinery and the creation of six (6) new jobs at wages exceeding the average local wage. The proposed incentive is \$155,000 paid over five years.

McDowell County has determined that the value of such public benefit as calculated under NCGS 158-7.1 would be at least equal to the benefits provided. The County Commissioners intend to consider action on this subject some time after the public hearing.
